

Vacancy: ISSAI Specialist (International Standards of Supreme Audit Institutions)

On behalf of the Samoa Audit Office, the Tautai Partnership program (administered by DT Global Asia Pacific Pty Ltd), is seeking the services of a specialist or firm to provide a situational or status review of existing audit legislations, policies & practice and design improvements and solutions document/report for migration from International Standards of Auditing (ISA) to International Standard of Supreme Audit Institutions (ISSAI) as its framework for financial audits commencing in FY2025.

Roles and Responsibilities

The individual or firm will undertake the following:

1. Planning, preliminaries and entry meeting and presentation to the Controller & Auditor General (CAG) and SAO of Inception Report
2. Situational and status review of existing audit legislation, audit policies, audit manuals and audit practice on financial auditing to assess compliance with international standards of supreme audit institutions and other INTOSAI principles and guidance on financial auditing
3. Design improvements in audit legislations, audit policies, audit manuals and audit practice on financial auditing to migrate from ISA to ISSAI
4. Implement designs of improvements and solutions in audit legislations, audit policies, audit manuals and audit practice on financial auditing to migrate from ISA to ISSAI including an appropriate formal and on the job training on ISSAI and other INTOSAI principles and guidance on financial auditing to OCAg/SAO and Delegates
5. Completion report and exit meeting and presentation to the CAG and SAO
